

Mining Industry Solutions

VALIN[®]

Control Valves

Sleeved Plug Valve

High Performance Butterfly Valves

Valve Positioners

Pressure Switches

Volume Boosters

Industrial Regulators

Flowmeters

Multitubes

Components

Lubrication System

SL-V Injectors

PMV Grease & Oil Pumps

Axial Piston Pumps

Hydraulic Cylinders

Manifolds

Instrumentation Valves

PLC Controllers, Power Supplies, & VFD's

Networking

Switches

Fittings

Test Equipment

Pumps

Oil Mist Eliminator

Compressed Air Dryers

Filters

Lube Oil Filtration

Fuel Filters

Nitrogen Generator

Tank Vent Filters

Pleated Filters

Band Heaters

Heat Trace Cable and Controls

Lube Oil Immersion Heaters

Flanged Immersion Heaters

Explosion Proof Heaters

Fuel Oil Heaters

Custom Power Control Panels

Actuators

Operate more efficiently, safely, and effectively with improved technology utilization and increased reliability

What we deliver...

Valin Corporation is your total solution provider of process valves, instrumentation, filtration, heating, controls, automation and fluid power products. We understand your industry and needs for reliability & performance, long term operation savings, compliance with environmental regulations and managing health and safety issues. Our technical knowledge and market expertise, matched with our value-added service capabilities, makes us the comprehensive solution provider of the Mining Industry.

ISO 9001 Certified

Professional Application Engineers

- Troubleshooting
- Process specification
- Product selection
- Design solutions

Personalized Order Management

- Live assistance
- Customized inventory management
- Online order processing
- Automatic order status notification

Comprehensive Training Programs

- Certified trainers
- Hands-on product & software workshops
- Custom training classes
- On-site lunch & learns

Testimonial

"Valin provided a complete turnkey solution for our heat trace needs including engineering, design, sizing, material, installation and project management. They were the only company able to execute and provide a total solution for us."
